Papier-Mâché Camp
Summer 2012

DÍA DE LOS MUERTOS

It's time... to bring... your skeleton... to life!
Cute or scary? Beautiful or bizarre?
What will it look like? What will it do?

Over the 5 days, you will create a wire armature, sculpt with papier-mâché,
draw, paint and collage to bring your artwork alive.

During breaks you'll be able to hang at the wading pool, playground or pizza oven.

On the final day, you will introduce **YOUR** creation to the **WORLD!**
